Rosenstrasse 6: D-64241 München: Saturday, October 19, 2017, 3:50 pm These files contain sounds of the radio and broadcasts. The latter part, which have been focused on, is that they provide a simple but clear way of experiencing the game in a different way. It is common that the AI in the game has a form of its own that adds a certain extent of danger in the game, because if an AI is close enough to your character, and then is harmed, you can kill them with you normal attack (pulling out the bayonet). Rosenstrasse 6: D-64241 München: Saturday, October 19, 2017, 3:50 pm Visually there are some parts that the game can do better in, but the game overall looks good and looks like it was made with an Xbox in mind.
