We are pleased to announce the top ten songs and three winning tracks from the Sylenth1 Sound Design Contest. All works were presented to the jury at the end of 2012. Each of the songs has been carefully selected. We highly appreciate the competitive work, which today has acquired a new meaning, being an indicator of the professional level of modern Russian musical culture. A new youth musical genre is being created in Russia - visual poetry. For two years, a series of conventions for young authors of visual poetry "Petersburg Speaks" has been held in St. Petersburg and other cities of Russia. At these events, the most topical issues of contemporary art were discussed. The shows were held as part of the 4th Multibrand Fashion and Design Festival "Fashion Season", which takes place annually in Moscow from December 2012 to April 2013. The Point of View project revives the traditions of stylish photography using materials from various genres. "Points of View" is an attempt to understand the "world" of modern man, to see him through the prism of images that are preserved in photographs. 4.07. In 2013, Novy Arbat hosted the premiere of the documentary film The End Phenomenon, directed by S. Nuzarov. Shots from the film, commissioned by the Kultura TV channel, are dedicated to Russian television. The film talks about how television affects our lives, how people react differently to what they see on TV. The film uses materials from the archives and archives of the television company "TV-Center", as well as archival recordings of the voices of TV hosts, comments by specialists. 06/25/2013 presentation of a new series of monthly youth comics "INFOGRAPH" Many years have passed since domestic animation returned to Russia. During this time, a whole generation of animators has changed. Today, more than a dozen animation film studios are successfully operating in the country. Before our eyes, a new generation of multi-professionals is being formed who are successfully working on the creation of modern film shots. Industry leaders, artists and directors talk about what kind of work and in what country is considered prestigious, and what is called "too much". "Volokolamsk Animation Tour" at the Russian State Humanitarian University was held with the support of the NP "Professional Association of Animation and Puppet Cinema of Russia" "Volokolamsk Animation" is a studio created by a group of enthusiasts, 20-25 people, including 2 directors, 2 artists, several cameramen, 2 technical specialists. This is an experimental studio. They're there, maybe
