Q: Bootstrap Modal not visible in IE8 and 9 I have recently ported a site from one server to another and have noticed that my modal plugins are not working in IE9. The modal works fine in Firefox and Chrome. On the dev server we run IE8 to test things on older browsers. The modal did work on the dev server in IE8. I have tried the solution posted here, but no difference: Bootstrap modal problem in IE8 here's a working jsFiddle for the modal: and here's a small sample from the source: x Add New Add New Asset Cancel @\*@media only screen and (min-width: 320px) { \*@ .modal-dialog { width: 350px!important; padding: 0!important; } The only difference between the working site and non working site is: The browsers on the non working site are on windows server 2003 Caching is off for the browsers on the working site Any help would be great. A: I ended up using ajax to load the modal into the iframe. \$('#newAJAX').click(function(){ var modal =
