Q: unable to create a view from a trigger - oracle I have the following model create table people (id number not null primary key, f_name varchar2(20), l_name varchar2(20), age number, CONSTRAINT fk_user_id FOREIGN KEY (f_name, l_name, age) REFERENCES user (f_name, l_name, age)) I have a trigger to enforce the user's privacy rights create or replace trigger person_trig after insert or update of people on person for each row declare v_id person.id%type; begin v_id:=new.id; dbms_output.put_line('v_id='||v_id); if(new.f_name!='null') update user set privacy='public' where (f_name=:new.f_name and l_name=:new.l_name and age=:new.age); end if; the above code works fine when inserting a row to the table, but for updating when the same row is updated, I get an ORA-20001: CANNOT DELETE / DROP/RENAME TEMPORARY TABLE: "PERSON" 08063. 00000 - "CANNOT DELETE / DROP/RENAME TEMPORARY TABLE: %s" Why is this happening? how can I fix this? A: In your trigger you are trying to drop a temporary table. The temp tables have special constraints that hold the tables together. You cannot drop the table until the temp table is dropped, which can happen when the trigger completes. Depending on your database version, the temp tables may have to be dropped manually by the

A: This error usually occurs when you have a folder with a space in it like: C:\Program Files\ When using Cmd.exe it needs the directory to be a single "c:\Program Files" without a space Q: dropdown menu position fixed please can you help me to fix the drop down menu position at the bottom of the page (at the selected navigation menu which i used is "services" menu. because when i used "link" it works fine but not fixed at the bottom of the page. thanks for helping me. here's the site: I used #websites { position: fixed; bottom: 20px; left: 20px; z-index: 10; margin-top: 20px; width: 15px; } #services { position: fixed; right: -20px; bottom: 20px; left: 20px; z-index: 9; margin-top: 20px; width: 15px; } A: You need to position the link within #services. #services a { position: fixed; } I understand how an established publisher like Image can create their own intellectual properties for old-fashioned money. But this is a bit like making their own Dorito's and then selling them to the rest of the world. This is strictly a PR and marketing ploy by Image. Especially when they advertise these products on their website. So, by their own rules, how can they make a profit and still claim that they are consumer-friendly? Because they aren't. Until they are, the only way they can work is to be disingenuous and to deceive their customers. They claim that Image Comics is about making comics for everyone, but they're not. Their comic book sales are significantly bolstered by a steady stream of Big 6 licensed product. Their retail sales are rising and they've just announced a signing with the prolific Warren Ellis that will likely cost Image a small fortune. So 6d1f23a050
