45. Let us keep you informed. Quality guaranteed in good time for you Featured Projects "These were delivered in good time for an event we were being held for - they looked fantastic, and were great value" - Jane, Customer - Garden Pro 1,200 square metres decking treated to required levels for new building work, with a choice of brick or timber effect flooring. The Decking Project We are specialists in quality decking for all your outdoor needs. In the past, we have provided everything from multilayered decking to fascia. But we didn't stop there, we are now providing a complete solution for your outdoor needs. We only use the most suitable

materials in all of our decking and we ensure that these meet the required building regulation. Decking is available in a variety of options for you, including different options for building such as brick and timber. We offer a personal service with a commitment to providing the best quality service. We ensure that our products meet the quality standards required so you can have confidence in the quality of our materials and service. This is a high quality, cost effective way of creating a quality decking project, at a great price. The final result will be a durable, breathable decking with a total value of over £1,500. Please visit our UBID collection website for more details.
