January 27, 2565 B.C. - Steinberg Nuendo 11.1  
Crack on the last day allows gurus who have published music to receive music collections. After more than eight months of development, Steinberg has released a new version of the popular Nuendo 11.1 music production software. Changes in version 11.1 Improvements in sample rendering (samples that play as sounds). Now you can use MIDI and VST effects in one project (if the user has licenses to use effect plugins). The interface has been improved and new buttons for creating and editing musical fragments have been added.
